

PROTECTIVE HEADWEAR

AIRBUMP WIDE BRIM BUMP CAPS

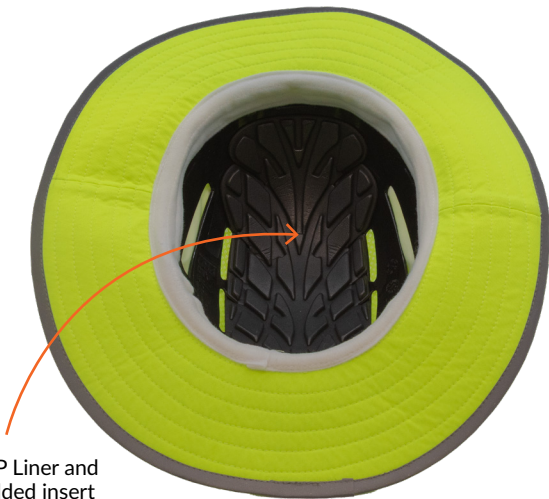

PRODUCT CODE: BCWB_FY | BCWB_N

PRODUCT CODE:
BCWB_FY

PRODUCT CODE:
BCWB_N

AIRBUMP Liner and
foam-padded insert

FEATURES AND BENEFITS

- Full brim design for increased sun protection.
- Retro-reflective piping enhances wearer visibility.
- AIRBUMP Liner provides maximum airflow with minimal weight.
- Foam-padded insert offers built-in protection against bumps and scrapes.
- Ventilation: Extra liner holes plus two mesh outer panels for added coolness and comfort.
- Fully adjustable, one size fits all with a sizing range from 54 to 59cm head size.
- Suitable for screen printing or embroidery.
- Low-profile design, ideal for confined spaces or sites where hard hats are not mandatory.
- Toggle-adjustable chin strap secures the cap in high winds or when working at heights.
